VENUE INFORMATION

SLOVAK CHAMPIONSHIP OPEN was created in 2015 as a one – day tournament for all registered PGA members. After two years the PGA Slovakia decided to organize a two rounds tournament and an additional tournament for PRO-AM tournament for partners.

In year 2017 the Slovak Championship Open hosts in Penati Golf Resort on the Heritage Course, one of the top of 100 continental Europe Courses. In year 2018 the tournament course changed to legend course designated by Jack Nicklaus. This year, 2019, players will again play the Slovak Championship Open at the Legend Course, one of the most beautiful golf courses in Europe and the longest hole in Europe.

Last year we hosted professional players from seven foreign countries, such as England, Switzerland, China, Slovenia, etc. This year we welcome also a player with 6 PGA Tour victories, Rory Sabbatini, who will participate in a professional tournament in Slovakia first time. The tournament is attended by the best amateurs, such a Slovak Amateur Champion, also from category junior and mid-age. The Czech Golf Federation will also receive one wild card.

PENATI GOLF RESORT

The venue for the Slovak Championship Open 2019 is Penati Golf Resort.

Penati Golf resort is a unique 36-hole facility is a singular project in Slovakia and a newcomer on the map of the top golf resorts in Central Europe. It is situated in the region of Záhorie, near the town of Senica, one hour drive from Bratislava, the capital city of Slovakia and within 2-hours from Vienna International Airport.

The resort amidst pine forests on land interspersed with white sand dunes and with an uncommonly large size of 217 hectares an distinctive features, this is the first complex in Slovakia designed to meet the expectations of a broad range of golfers and golfing enthusiasts.

It consists of two 18-holes courses of the highest quality. LEGEND COURSE and the HERITAGE COURSE. The Slovak Championship Open 2019 is going to take place on the 18-hole course LEGEND COURSE designed by Jack Nicklaus.

Wide undulating fairways, a diversity of greens, challenging steep bunkers, beautiful and variable teeing placements all let golfers choose the degree of difficulty of their games. The greens are big but undulating so that it's easy to find difficult flag positions when the course has been tuned for competition.

The 712-metre 15th hole – the longest hole in Europe awaits golf enthusiasts. The view alone is fascinating. Equally unparalleled is the final, narrowest hole on the course – played in a near dream-like setting on a magnificent island green. The Island Green – a small emerald floating upon a blue surface – sets the grand stage of the final act of the golf drama, guaranteed to liven up a provide a thrilling close to the game.

The course record from the black tees is 61 made in 2016 by Garrick Porteous from England.

The club facilities include large practice areas, pro-shop, cozy restaurant and modern social areas. The club is very active with 700 members.

Aside from the world-class 36-holes golf course, there is a plenty of possibilities for relaxing and spending quality, active leisure time. A recreation area is being created a stone's throw from the golf courses, offering comfortable recreational villas by the lake and plots of land for family homes to be built.

Penati golf resort is ranked among the TOP 100 Golf Resorts in Continental Europe and is also proud holder of the prestigious EUROPE ENVIRO OSCAR for respecting and protecting the countryside's natural beauty.
