## TITLE PARTNER

The venue for the Penati Slovak Open Championship 2022 is Penati Golf Resort.

Penati Golf resort is a unique 36-hole facility, a singular project in Slovakia and a newcomer on the map of the top golf resorts in Central Europe. It is situated in the region of Záhorie, near the town of Senica, one hour drive from Bratislava, the capital city of Slovakia and within 2-hours from Vienna International Airport.

The resort amidst pine forests on land interspersed with white sand dunes and with an uncommonly large size of 217 hectares and distinctive features, this is the first complex in Slovakia designed to meet the expectations of a broad range of golfers and golfing enthusiasts.

It consists of two 18-holes courses of the highest quality. LEGEND COURSE and the HERITAGE COURSE. The Penati Slovak Open Championship 2022 is going to take place on the 18-hole course LEGEND

COURSE designed by Jack Nicklaus.

Wide undulating fairways, a diversity of greens, challenging steep bunkers, beautiful and variable teeing placements all let golfers choose the degree of difficulty of their games. The greens are big but undulating so that it's easy to find difficult flag positions when the course has been tuned for competition.

The 712-metre 15th hole – longest hole in Central Europe awaits golf enthusiasts. The view alone is fascinating. Equally unparalleled is the final, narrowest hole on the course – played in a near dream-like setting on a magnificent island green. The Island Green – a small emerald floating upon a blue surface – sets the grand stage of the final act of the golf drama, guaranteed to liven up a provide a thrilling close to the game.

The course record from the black tees is 61 made in 2016
