Held every September at Penati Golf Resort on its' Nicklaus Design Legend Course, it gives players an experience of excellent quality, a fantastic ambiance, and a unique 6-Par hole.

In 2019, the silver medalist Rory Sabbatini (TOKIO 2020) became the ambassador of the tournament, took part in the tournament, and won it after a dramatic duel.

The tournament is open to any professional player. Amateurs can qualify for the tournament by winning the highest amateur competitions in Slovakia.

In recent years, it is the largest professional event in Slovakia known among the players for its exceptional atmosphere and hospitality.

PENATI GOLF RESORT

TITLE PARTNER

The venue for the Penati Slovak Open Championship 2026 is Penati Golf Resort. Penati Golf Resort is a unique 36-hole facility, a singular project in Slovakia, and still a newcomer on the map of the top golf resorts in Central Europe. It is situated in the region of Záhorie, near the town of Senica, one hour drive from Bratislava, the capital city of Slovakia, and within 2-hours from Vienna International Airport.

The resort amidst pine forests on land interspersed with white sand dunes and with an uncommonly large size of 217 hectares and distinctive features, is the first complex in Slovakia designed to meet the expectations of a broad range of golfers and golfing enthusiasts.

It consists of two 18-hole courses of the highest quality. LEGEND COURSE and the HERITAGE COURSE. The Penati Slovak Open Championship 2026 is going to take place on the 18-hole course LEGEND COURSE designed by Jack Nicklaus Designer Studio.

Wide undulating fairways, a diversity of greens, challenging steep bunkers, and beautiful and variable teeing placements all let golfers choose the degree of difficulty of their games. The greens are big but undulating so that it's easy to find difficult flag positions when the course has been tuned for competition.

The 712-meter 15th hole – the longest hole in Central Europe awaits

golf enthusiasts. The view alone is fascinating. Equally unparalleled is the final, narrowest hole, on the course – played in a near dream-like setting on a magnificent island green. The island green – a small emerald floating upon a blue surface – sets the grand stage for the final act of the golf drama, guaranteed to liven up a provide a thrilling close to the game.

The course record from the black tees is 61 made in 2016 by Garrick Porteous from England.

The club facilities include large practice areas, a pro shop, a cozy restaurant, and modern social areas.

The club is very active with almost 1000 members.

Aside from the world-class 36-holes golf course, there is a plenty of possibilities for relaxing and spending quality, active leisure time.

Penati Golf Resort is ranked among the TOP 100 Golf Resorts in Continental Europe and is also the proud holder of the prestigious EUROPE ENVIRO OSCAR for respecting and protecting the countryside's natural beauty.
